**What is Per Capita?**

Per Capita is a fundamental way in which all of the nearly 10,000 congregations and mid councils of the Presbyterian Church (U.S.A.) connect, participate and share in the work of the wider church. It is how Presbyterians mutually and equitably share the costs of coming together to discern the Spirit's leading for the future. **The 2021 per capita amount is \$36 for each Wayside member.** Checks can be made payable to Wayside and placed in the blue per capita envelope found near the front of your envelope box, or simply mark "per capita" on the memo line of your check.

**With Thanks**

My heartfelt thank you to all of my Wayside friends who reached out to me in my time of grief with cards, visits and other ways. It means a lot to me and underscores the meaning of *Church Family*. Nancy would also be pleased that you all have remembered her life among us.  
In Christian Love, Dick Regensburger

To my Wayside family, a heartfelt THANK YOU for all the ways you reached out to me during my hip recuperation. It has been quite an experience for me to have others tend to my needs during this time. I'm coming along and only have 3 more weeks to be walker bound then I start PT. Hopefully I will be able to walk straight once more! Just to know there were so many who cared, allowed me to keep a positive attitude about my recovery. May God Bless you all for your warm and caring hearts. ♡

Love, Judy Kline
