Celebration of the Lord's Day

Welcome to Wayside, and to this first contemporary service of the fall at our new time! We are glad you are with us, and hope you'll return often. God's Word tells us not to give up the "habit" of meeting together. That means weekly worship needs to be our regular practice. New this fall, we are offering a lunch gathering twice a month around a study of the book of Ephesians after this hour. Look for that announcement and join us. May this new week and season be blessed!
